

Project : Humraah

This document contains most but not all views from the project Humraah with a brief description of each view:

## MAIN PAGE:

Main page allows an unregistered user to view all ambulances available in the system under Search Ambulance. A user can either register if he's visiting the website for the first time or login with his email if he is already registered.

## LOGIN PAGE:

Login window allows a user to log in either as a user, station or admin. Roles are identified through email and password.

*Humraah* [Home](#) [About](#) [Contact](#) [Search Ambulance](#) [Register](#) [Log in](#)

### Log in.
